

PRINCE CHUKWU

NUS DELEGATE

VOTE FOR ME BECAUSE...

Currently serving as the class Rep for my cohort for the second year, I have been able to bridge the gap between the lecturers and students. By effectively, listening and collating the views of the class to the tutors. I have organised group sessions where students have had the opportunity of freely voicing out their academic concerns with Tutors. This has helped a lot of students in finding solutions and proper guidance in their academic journey. Vote for PRINCE CHUKWU to fully represent your interest and be your voice at the NUS. Thank you
